COMMUNITY HEART SCREENING AGREEMENT TO PARTICIPATE IN HEART SCREENING

The KEVS Foundation, Inc. is offering a heart-screening program for students. Medical personnel at the event will review the information from each participant. The identity of the screening participants and information obtained in the screening program will remain confidential and available only to The KEVS Foundation and the physicians helping at the event. The screening program may include:

1. Medical History Questionnaire
2. Blood Pressure
3. Physical examination
4. Electrocardiogram (ECG-measures electrical activity in the heart)
5. Echocardiogram (Echo- an ultrasound picture of the heart)

Data Collection, Analysis and Reporting

The data collected related to your heart screen will be reviewed by medical personnel participating in our event and may be used in an aggregate form (no name or identifiers) as part of a research study on heart screening in the young. In agreeing to your heart screen, you understand and provide permission that the information collected about you during the screening process, including the information contained in your medical Heart Health Survey, and heart testing, will be reviewed by medical personnel and can be included (in de-identified form) in a research study.

Medical personnel will provide you with a summary of the results of your screening and may recommend additional evaluation through follow-up with your physician or a specialist. By agreeing to participate in the program, if so indicated you give permission to The KEVS Foundation and medical personnel to provide your screening results to your physician or cardiologist, and you authorize your physician to share the results and diagnosis of any subsequent testing with The KEVS Foundation.

I hereby give my permission for images of my child and/myself, captured during a youth heart screening through video, photo or digital camera, to be used solely for the purposes of The KEVS Foundation promotional material and publications, and waive any rights of compensation or ownership thereto.

I acknowledge that I have read the above agreement to participate and understand its contents. Any questions have been answered to my satisfaction. I agree to be a voluntary participant in the heart screening, and in connection therewith, I consent to the release of information obtained in connection with the screening as describe above. I understand that The KEVS Foundation will not disclose my identity to any third party without my consent. I understand that I may withdraw from the screening. I further agree to hold the KEVS Foundation, all physicians, technicians, volunteers, and all other persons, entities, individuals and organizations harmless and waive all subrogation rights against The KEVS Foundation and their directors, officer and volunteers as respects process and results of this free heart screening.

KEVS Foundation is providing this low cost heart screening for a minimum donation of \$35.00 requested. This helps to defer screening costs, and enable future community screening events. Larger donations are always appreciated!

These cardiac tests would typically cost between \$500.00 and \$2,000.00. With your generous support, our screenings are less than the typical doctor visit co-pay.

Donations are tax deductible, and can be made by cash or check payable to: KEVS Foundation

If you would like donate by credit card this is also possible, please consider adding 4% to your donation to cover our cost for this convenience.
